*Students sitting in these exams have a finish time close to the end of the school day. Any delays in the start may result in a later finish in the school day.

Students who miss an exam will not be provided with a mop-up session and will need to catch up in their own time , because of this it is a priority that students **attend all exams** at the allotted time.

All students will be given an individualised timetable before the mock exams take place showing roomings and tiers of entry.

Mock Exams taken in Class

Y10 - Science
AQA Combined Science (75 mins) and Separate Science (105 mins).
Biology: **6th May to 9th May** (In lesson)
Chemistry: **9th June to 13th June** (In lesson)

Mock Exam Results

Results will be collected from the lecture theatre during Year 10 parents evening on Wednesday 16th July. This will ensure instant feedback is provided to support your son/daughter. Further information will be sent in a letter closer to the event.
