Please be aware published start times are subject to small changes and may result in a later finish time than usual. If students finish exams later than 15:00 this may result in them leaving the school site later than the usual departure time.

If students miss an exam, there will be no mop-up sessions. Students may be given an opportunity to sit the exam at an alternative time after school by their class teacher although it is important to remember that this will not be an option during the real exams. Because of this it is a priority that students **attend all exams** at the allotted time.

All students will be given an individualised timetable before the mock exams take place showing roomings and tiers of entry.

As always any disruption to exams will not be tolerated and could result in students having to find an alternate exam venue to complete their Summer exams.
